

# SUSTAINABILITY PRODUCT REPORT

*Building a SUSTAINABLE future together*

## Idrostop™

Hydrophilic, Expandable, Pre-Formed, Flexible Rubber Strip for Watertight Construction

### Product Summary

|                       |                                                      |
|-----------------------|------------------------------------------------------|
| MAPEI Product Line(s) | Concrete Restoration Systems / Waterproofing Systems |
| Product Information   | <a href="#">Link to Product Page</a>                 |

### Volatile Organic Compounds

|                                                                                     |                                                               |                                                           |
|-------------------------------------------------------------------------------------|---------------------------------------------------------------|-----------------------------------------------------------|
|  | VOC Content                                                   | Not Applicable                                            |
|                                                                                     | Standard                                                      |                                                           |
|                                                                                     | Product Type                                                  | Waterproofing Accessories                                 |
|                                                                                     | VOC Emissions Certification<br>CDPH Standard Method v1.2-2017 | <a href="#">SCS Global Services Indoor Advantage Gold</a> |

### Material Ingredient Reporting

|                                                                                     |                                                                                                                                                                                     |                |
